

...In a beautiful stained glass window. The artist will be available to meet with each family to determine the design of your window. All will have the vine, but the family may choose the kind of flower and the placements of leaves. Included is a plaque in honor or in memory of a loved one. Windows may be shared between families or divided into halves or thirds.

These beautiful windows will stand in the church as a memorial for generations. The funds raised through the memorial windows will partially help rebuild the St. James Trust. Contact the office for more details.
